

Rose Maria Li, MBA, PhD
President and CEO, Rose Li and Associates

Rose Maria Li, MBA, PhD, is President and CEO of Rose Li and Associates, Inc. (RLA), a professional services firm that specializes in science management and research administration, including committee management, research policy development, scientific writing and analyses, and meeting planning—all in the service of moving science forward. Prior to founding RLA in 2003, Dr. Li held leadership positions at the National Institutes of Health (NIH), including as Special Assistant for Policy Development with the NIH Office of Communications and Public Liaison, as Chief of the Population and Social Processes Branch in the Behavioral and Social Research Division of the National Institute on Aging, as Senior Policy Advisor to the NIH Office of Extramural Research, and as Program Official with the *Eunice Kennedy Shriver* National Institute of Child Health and Human Development. She earned her BA and MBA from the University of Chicago and her PhD from Princeton University in public and international affairs, with a concentration in population policy. She completed postdoctoral research on aging in Asia at the University of Michigan, Ann Arbor.

In 1999, Dr. Li was recognized as an Outstanding Woman in Science by the Maryland State Department of Education in collaboration with the Maryland Commission for Women, and was selected as a Fellow of the Okura Mental Health Leadership Foundation. In 2014 she was a candidate for Delegate (Maryland District 16) and earned the endorsement of *The Washington Post*. In 2015 she was appointed to the State Commission on Aging and named its Chairperson in September 2016. In June 2017 she was reappointed to a 4-year term on the Maryland State Board of Education. She is the recipient of the 2019 Alumni Council Award for Service to Princeton, past president of the Association of Princeton Graduate Alumni (2010-2012), and currently serves as co-chair of the Asian American Alumni Association of Princeton (A4P)—DC Region.
